Many times and in the many meetings our GS told that , Team Ahmedabad is a Role model for many Regions , such a beautiful team was built up by Sri Parekh Ji with the Help and support of Sri Richhariya and other seniors .

When I have asked Shailesh ji, what is your priority, he has told me that my priority is happiness on the face of every member and all the members should feel that, association is there for any eventuality with them. He boldly told that, that type of team they have built at Ahmedabad.

We read in the history that Great Lokmanya Tilak used to conduct "Ganesh Chaturthi "festival as a tool to unite the people to fight against the British Raj. Here Shailesh ji used to conduct Deepavali, Holy, and Beau to unite the members.

What a great thought!

When I have asked which gave the most satisfactions as a trade union leader, he has quoted a real incident, while telling he was quite emotional too, when father of One employee expired and that person is from outside Gujarat, that employee is finding it difficult to perform final rituals, at that time due to the motivation given by the GS, around 25 Canpals gathered in no time and conducted entire funeral process.

That person never forgets CBOA in his life time. He strictly believes that, office bearer should be disciplined, punctual, and should contribute more to the Bank.

He is very punctual never late to the office. Whether it is TM Section, Premises Section, Branch he contributed his might, and his services towards bank were well recognized by the higher officials.

If we recollect the EC meeting held at Ahmedabad during June 2016, one person with great energy, always with a smiling face, is busy in receiving the guests' one side and giving instructions to the Volunteers on the other side, is none other than Sri Shailesh Parikh Ji, DGS& CNT representing Ahmedabad Region.

He did his commerce from H A College of commerce and Law from Gujarat University. In his student days he used to conduct study circles in the university and used to lead the teams and have discussions on various topics.

Shailesh ji is a great lover of Art, and have the habit of Book reading, and collection of coins. In his leisure time he used to do painting, and he has got a personal library with various collections of more than 1000 books.

He has joined in our great institution in the year 1979 as a Clerk and got promoted as an officer in the year 1995. He has started participating actively in the various association activities since he became the officer. His talent and service towards the members was got rightly identified by the then Seniors Like Sri J C Dave , Sri J G Parmar and Sri K B Patel and then he has been coopted as the RC Member .

By his continuous and effortless service he has been to the central committee in the year 2010 and his service was further recognized by our beloved leader Mani sir by nominating him to the CNT.

When I have asked him, which gave you most satisfaction during your entire tenure, he has informed that, the work done by him DURING EARTHQUAKE IN GUJARAT IN THE YEAR 2002.

He is also a good Singer and used to get relief from the pressure by singing the songs of Mohd Rafi, Mukesh etc. We have to learn so many things from Sri Shailesh ji, who has built such a united team in Ahmedabad.

He is going to retire from the service on superannuation in the year 2018.

Shailesh ji you are such a great personality,
and we owe a lot to you. SALUTE TO YOU SIR.
