A person begins any conversation with contagious laughs. All the regions conduct members meet, get together, but one Region conducts family get together - INDORE. They bring the families together, which will create bond not only among our members, but between the families. Family culture was taught. It's an occasion to create bond between old and young generation. The latest one in this series is Promotee officer families get together at Indore. The person behind this successful event is none other than Sri Sanjay Goyal, OGS from Indore.

He is also one of the senior level leader, with a smiling face and looks energetic all the time. He was born in the year 1967 in a humble middle class family, he has one brother and 2 sisters. As the family is from the lower middle class, he has faced some problems in his child hood, but his father has his own dreams and he wants his son to be a well-educated and a Govt servant. This made Mr. Sanjay to concentrate more on the studies, he did his Post graduation in commerce from Devi Aahalya university of Indore.

He is the GOLD medalist in his batch. After joining in the Bank he has completed CAIIB. He has joined in the bank in the year 1989 as a clerk and after putting through 8 years' of service, he got promoted to the officer cadre. He has chosen the path of trade union, wants to serve the people, so he has not opted for further promotion. Sri R K Bhardwaj present Vice President from Bhopal has identified him and motivated him to work for the association.

Mr GOYAL has admitted that he didn't know anything about the association in his initial days and not interested in the positions also.

But whatever the work given by the superiors he used to execute the things perfectly, and this made him to be chosen as the RC member in the year 1999 and DS in the year 2002. His services were well recognized and the circumstance made him to take the position of CC member in the year 2007 and Finally OGS in the Ahmedabad conference.

Whenever there is a call for Dharna, Strike, he is the first person to participate in it and leads from the front. When, it has been asked what is your contribution to the association and to the Bank, he is with the clear opinion that, he has not given to the association, but the association only given him the name and fame. Nothing was given to the Bank, but the bank gave him the life.

In his opinion, now the CBOA becomes the youth association, nowhere in other trade union this much encouragement is given to the youngsters. CBOA is the highly respected trade union and in the last 4 years under the leader ship of Sri G V Manimaran the respect became multi folded.

Never in the history of CBOA, this much encouragement available to the youth. Towards Bank his contribution is also very reasonable. As a TM Section official his role is commendable particularly during the migration period from IBBS, ALPM to CBS. Day and night worked for the successful migration.

He worked not only in Indore circle, he has also worked in the Mumbai and Pune circles during migration. Sri Sanjay ji, you are a great personality, you have improved the family culture among the members and this further strengthened the organization, your contribution will be remembered always and we wish you to continue the same contribution in the days to come with enhanced strength.

Let the Indore be first model of bringing success to the bank by implementing the FOUR COMMITMENTS to improve business under the leadership of SRI SANJAY GOYALJI.
