THINK TANK – A PARTNER IN PROGRESS

Any progressive organisation or an Organisation possessing drive to progress, neither would rest on the past glories nor harping on the present agonies. It always attempts to leap ahead with the strength earned from out of past victories and identifying the opportunities from out of even the current adversaries.

CBOA is one such organisation has proved its maturity in conducting the trade union affairs and created a place for itself in the trade union arena.

From, 13000 to 23000 membership in three years and from 88% membership to 95% membership is a proud growth of CBOA.

Unprecedented benefits are being brought in for the welfare of the officers and it also encourages such motivated officers to involve actively in business building.

I dedicate this success to the experienced seniors and the enthused youths.

Now it is the time to think next, and thus I wish to entrust a job to our THINK TANK TEAM.

I want our THINK TANK to organise a brain storming session in every Region to give suggestion on

1. Technology related issues
2. Profit making
3. Sourcing the business proposals
4. Strengthening the Marketing.
5. Avoiding NPA and augmenting the Recovery.
6. HR related issues.

I know the attitude of our youth that they are capable of extracting chances out of challenges.

Shall we fix 20th August as the date for organising Brain storming sessions throughout the country in every Region to bring out HEALTHY suggestions to turn our Bank a WEALTHY one?

AWAITING YOUR RESPONSE.
