Dear Office bearers,

One of our Managers working in one of our Southern Circles was slapped with a charge sheet, just immediately after his interview from Scale 2 to 3.

The concerned officer has sanctioned 4 OCC loans to a tune of 5.50 lakh duly following the procedures and ensuring due diligence. The accounts have turned bad due to various issues pertaining to the customers and an investigation was conducted. The concerned officer was asked to explain and a suitable reply was given by the officer with the assistance of our beloved CBOA.

Unfortunately, he received a charge sheet just immediately after his interview and that too it was made vigilance case. The matter was brought to the notice of Vice President Jagdish and he immediately swung into the action. He apprised the Circle executives that the investigation report does not attribute any charges to the officer and informed about his innocence.

Friends, the matter was taken up at all the levels and its historic that the Entire proceedings were completed with in 4 days and the officer is exonerated today. Hats off.

This is your CBOA dear friends, we need to take up the issues on time to avoid any damage that may occur to the officers.

I once again urge all the office bearers to be proactive in being sensitive to the needs of officers especially with regard to disciplinary proceedings. This particular innocent officer must have lost One Productive Year has this process been not completed.

I request all the office bearers to look into the issue and ensure that no innocent officer is punished.

CBOA ZINDABAD
