Dear friends,

Comments of the top line for our demand of CPC formula:

BY AN EXECUTIVE DIRECTOR OF A PSB.

“Very good initiative Sir. Need to organise more such interactions across the country”

BY A FORMER ED

“Good Evening. I am sorry but it took me some time to go thru the video. It is nice and questions are framed in simple manner with right answers to satisfy the queries in young minds. Leave alone younger generation, there would be good no of seniors who may not be knowing these things since they are always bogged down with work. It is good to reach the people and make them understand that the demands are fair and basis for the demand. It will also allay their apprehensions. Well done. ”

BY A FORMER CMD OF ANCHOR PSB:

“An eloquent and spirited speech which would make the young officers to realise the issues looming large , logic in association’s approach to raise and resolve the issues and ultimately commit themselves to joint actions . Your speech did take me down the lane of memories of my days in Officers’ Association .

My compliments Mr Manimaran.”

BY AN EXPERIENCED EXECUTIVE IN THE HR SECTION OF A PSB:

“GM sir, very rightly said, CPC cannot demanded but CPC can be taken as a model for negotiation.

When pension was sought first time, have we not compared with RBI scheme, central pension rules. If people had laughed that time telling RBI /central pension rules are not applicable, we would not have got pension.”
