GS WP 049 2018

30 Jul 2018

Dear Friends

“In talks with IBA today, their offer has been increased to 6% . We have not agreed to this.
Date for further meeting fixed. Circular follows.
Convener UFBU”

No percentage business in the model proposed by AIBOC, got incorporated in the Charter of demands and signed by all the four GS.

The COD was well circulated and accepted by the members and thus the demands mentioned in COD only got the mandate of the members.

Then why are we still sticking on to the percentage?

If the paying capacity is the question, it is not an acceptable proposition in the international standards adopted to fix the basic wages.

Let's think independently and do justice to the hard labour put in by the bank officers by suitably rewarding them which is possible only through following the formula adopted in fixing the BASIC PAY+ DA by Seventh CPC which ensures ₹ 57100 start.
