Dear Canpals,

Wish you all a very happy 117th Foundation Day.

The strength of great institutions is tested by their resilience, sound practices and community's faith in them, especially at the face of historic disruptions. Amidst those truly transformational events in the last 116 years, our mother Bank, a powerful conglomerate, has strongly stood the test of time. I am delighted to wish you all a very happy 117th Foundation Day.

Friends, the very thought of foundation day keeps bringing stories of inspirational leadership, spirited hard-work and exemplary commitment right from our 'ahead-of-its-time' founder, **Shri Ammembal Subba Rao** with his team in 1906 to all the Canpals today. It brings us the tales of

Canara Hindu Permanent Fund being renamed as Canara Bank Limited in 1910

Bank Nationalization drive of 1969, opening of 1000th branch in 1976, completing 100% branch computerization in 2004-05, Global Business of the Bank crossing 10 lakh crore in 2018-19 and becoming the 4th largest Bank after smoothly merging with Syndicate Bank on 1st April 2020.

We have come really far in these 116 years and the picture from the rear view mirror looks extremely satisfying and pride-worthy.

Friends, nothing could have possible without the magical confluence of our individual energies with which we strive each day for excellence. Be it the branches, specialized units, ROs, COs or my brothers and sisters

working in HO, each one of us have made this adventurous and beautiful journey of our mother bank possible. I reiterate, each one of us are the major stakeholders in the value that our mother Bank enjoys today.

Friends, I once again thank each and every one of you for your immense contribution, commitment and involvement. Believe me, we are all a strong team to reckon with, important pillars of this beautiful and strong edifice called Canara bank.

Friends, it is again imperative from our end that we do not lose sight of the goal we have set for this financial year, i.e. **ensuring Global Business of Rs. 20.00 lakh crores by November 2022**, which has been committed by us under the **Trumping the Targets – Canpal Style 2.0** program initiated by (Y)our Canara Bank Officers Association.

Let us all continue to work in line with our trade mark Canpal spirit and innovative approach towards ensuring continued glory for our mother Bank. Let us assure our management that we all will leave no stone unturned in making our mother bank as the number one bank in the country.
