Where there is unity, there is Victory!

Civilizations and their individuals have progressed only when the idea of 'Unity' is chosen to be the only option.

Dear Canpals,

India is one of the oldest civilizations in the world, where several ethnic groups have lived together for years. Amidst the diversities in religions, communities, caste, language and culture, the only thing which bound 'we' Indians is the poignant feeling of India, our nation. It is important to understand that Unity and oneness is the source of diversity and this diversity then is again bound by a common thread, bringing us back to One. *We are different, but essentially, we are one.*

We, the CANPAL family, as a part of CBOA too harbor unity in diversity. We all have unique ways of leading our lives, discharging our duties, socializing with communities, yet we are connected with a shared emotion of being a Canarite, being a member of our big family CBOA. As Canpals, we have proven time and again that we hold this companionship of ours so dearly, having each other's back, come what may!

This tradition of a collective consciousness was laid down by the foresighted and visionary Leaders of our Mighty CBOA and has been deeply embedded in the very fabric of CBOA. Isn't that is vividly witnessed when we travel across the length and breadth of our country, believing that our CANPAL family is there to help and guide us

anywhere, anytime. This feeling and the subsequent confidence it brings is in itself a testament to our strength and Unity.

Friends! it is time now to prepare well so as to celebrate this beautiful feeling of oneness, togetherness and Unity. As we move closer towards the historic '**19th Triennial Conference**' at Vijayawada on 26th to 28th of November, 2022, it becomes our key obligation to conduct the delegate elections in your respective regions in a fair and just manner. CBOA holds these election process as most fundamental to its culture and progress. I exhort every member to actively participate in the delegate elections in their respective regions.

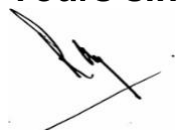

Friends! Like every other event of CBOA, you have to make this one too an event to remember. This will only be possible only if each one of you own it as your event and contribute to the best of your abilities. Our 'pure intent' and our 'collective will' would again play a major role in making this event successful. Let us all together make this 19th Triennial Conference a benchmark event in the history of trade unions and add another feather cap of CBOA.

Needless to say, I have complete faith that this collective energy of ours will make our Mother Bank the 'Best Bank to Bank with' in the entire Banking Industry.

Flaw-Free Banking! Fraud-free banking!

DISCIPLINE IN CBOA, DEVELOPMENT IN CANARA BANK.

Yours sincerely,

RAVI KUMAR K
