PROUD TO BE A CANPAL

Dear Canpals,

It is really a proud moment for all of us that our Mother bank has become the third largest PSB. Each and every Canpal can be proud of our collective efforts towards the development of our Mother Bank.

Adding more sugar to the milk, Around 2000 POs who have recently joined our bank have joined our Mighty organisation CBOA adding our strength to more than 46000.

CBOA, The second largest officers association in Indian Banking industry, is the only recognized officers association of Canara Bank to represent officers.

It is only our CBOA which is invited for periodic Meetings with the Bank Management to lay down contemporary policies on promotion and service matters of interest concerning the Officer community. It is only our CBOA which is invited by Circle Management for periodic meeting to discuss on various matters with in the circle.

It is (Y)our CBOA that demanded and achieved various facilities and loan schemes that the officer community is enjoying today.

It is (Y)our CBOA that has been publishing Promotion study materials and conducting systematic coaching classes and mock interviews at all major centers all over the country.

(Y)our CBOA also extends various Welfare schemes for the benefit its members, such as:

- Rs.10.00 Lacs is paid to the bereaved family of our member who dies in harness
- Disallowed medical bill upto 2.00 lacs

Sri. G V Manimaran

General Secretary, CBOA

From the desk of
GENERAL SECRETARY

Dear Canpals

1. CBOA welcomes and appreciates the decision of increasing the Family pension to 30% without ceiling.

2. Increase in 14% towards NPS may be the benefit to the institutions manages the pension fund.

The very continuation of NPS itself to be reviewed as there are opinions to discontinue and to manage Pension fund by the respective banks.

Infact this demands gets meaning on two counts:

A. It will strengthen the existing pension funds available and managed by the banks further.

B. The remaining residual funds will continue to be made available to the youngsters joined after April 2009.

3. The real benefits to bank officers will be achieved when the formula of fixing wages is delinked from the paying capacity and profitability of the bank.

The principle of wage revision must be to give salary to the Bankers, matching to their status, risk, responsibility, accountability and transferability and the salary must be sufficient to lead the decent life with their families without linking to the profits.

The above is the formula adopted in fixing wages in 7th pay commission.

Bank officers wages must be equivalent to Grade A officers of GOI as it was prevalent during 1970s.

This would only improve the life of the Bankers and would be matching to the Bank officers Status, qualification and contribution.

4. Updation of pension is a much needed one in order to maintain the status and dignity of retired officers.

We, CBOA would continue to direct all our efforts to achieve the above demands which we had been consistently pursuing even in courts during the last wage revision.

Discipline in CBOA
Development in Canara Bank.

CBOA ZINDABAD

REF: CBOA: GS: LTR : 02: 2021 dated 23.07.2021

We had a meeting with our Beloved Managing Director and Chief Executive Officer and all our Executive Directors and other top management of our bank at our Head Office yesterday.

We had discussions on various matters concerning the bank and the welfare of Canpals with the top management.

1. We thanked our MD and CEO for declaring a historical number of vacancies to ensure promotions for our Canpals and making good on his promise and also for the unprecedented release of 15 days salary as incentive to all with grace.
2. We also thanked our Top Management for effecting transfer of all our Officers and

Managers all over the country.

3. We were further assured of transfers for the specialist officers – TFOs, IT officers and Finance Managers at the earliest.
4. The diligent efforts and contributions of each of our Canpals for the bank was acknowledged and very much appreciated by our administration and they were **confident of another profitable quarter for the bank even in these tough times of Covid-19 pandemic.**
5. On our part, our mighty organisation – CBOA, with over 44000 members, promised to extend continued support by all Canpals, for the development of our beloved mother bank.

Our MD and CEO has also assured to extend various benefits to the officers and employees of our bank in the days to come.

Each and every Canpal can be proud of our collective efforts towards the development of the Mother Bank and the results of our efforts in the form of profits for the bank.

Friends, we would like to reiterate that, it is the unity and collective efforts of our mighty, majority organisation that has made it possible for ensuring the historic vacancies and timely transfers in the bank.

(Y)our CBOA is in existence since 1966 and is the only association recognized by the bank to represent officers.

Your CBOA holds periodic Joint Conferences with the Bank management to lay down contemporary policies on promotion and service matters of interest concerning the Officer community and it has successfully completed 200 such Joint Conferences with the Bank.

It is (Y)our CBOA that demanded and achieved reduced Rate of interest for Staff Loans and declaration of more number of vacancies in promotions.

Your CBOA has no political alignment.

It is (Y)our CBOA that has been publishing Promotion study materials and conducting systematic coaching

classes and mock interviews at all major centers all over the country for the benefit of members as well as non-members.

It is (Y)our CBOA that has demanded and achieved best rental ceiling for quarters provided to Officers employees among peer Nationalized Banks.

It is (Y)our CBOA that has ensured the Policy on Staff Accountability, which is practiced only in our bank and is unique to the entire industry.

It is (Y)our CBOA's efforts that ensured transparent APAS rating which can be accessed by any individual officer.

It is (Y)our CBOA that has brought the best Staff housing loan and vehicle loan schemes.

It is (Y)our CBOA that has demanded and achieved the new furniture scheme for providing furniture and fixtures to Officers.

(Y)our CBOA also extends various Welfare schemes for the benefit its members, one such scheme is the Benevolent scheme wherein Rs 10.00 Lacs is paid to the bereaved family of our member who dies in harness. The amount shall be paid to the nominee of the deceased member.

It is observed that in some cases, nominee is not registered, due to which we are unable to settle the claims.

We request all our CC members to obtain the nomination details from all our members and update it to CBOA records immediately so that the benefits will reach the needy families in time.

We also request all our members to ensure that their nominee details are updated in CBOA records.

We sure that we Canpals will rise against all odds and emulate our diligent efforts in the coming days for ensuring continued growth of our Mother Bank.
