**ONE BANK ONE ASSOCIATION**

Dear Comrades,

“United We Stand, Divided We Fall” goes the saying. All over the world there are innumerable unions, associations and collectives of entities formed with various purposes and based on various ideologies. But whatever may be the purpose, whatever may be the ideology, at its root lies this philosophy of “Strength in Unity”. The fact that the instinct to form groups of individuals with similar runs deep in the veins of every living being is exemplified in how most living organisms prefer to live in groups.

It is this instinct that has driven us to become a part of a trade union also in our place of work. While choosing an association to become a member of there are some key aspects to be looked into.

1. Is the body capable of protecting and furthering your interests both individually and as a group?
2. Are the policies of the body aligned with your interests and principles?
3. Is the present leadership capable of upholding these policies in all conditions and protect your interests?
4. Does the body have a good history and proven track record of satisfying the above conditions?

Members of CBOA can proudly proclaim that their associations satisfies all these conditions. It is a fact as clear as daylight.

- It is your CBOA that has brought about best in industry benefits and perks to the officers.

- It is your CBOA that has formulated an accountability policy that has set the standard for the industry.
- It is your CBOA that asks you to own the performance of your mother bank and demand your rights and benefits with pride.
- It is your CBOA on which more than 90% of the officers of Canara Bank have expressed their confidence in.
- It is only your CBOA that has forums like JC and CLJM to negotiate with management to raise various issues faced by the officer community and secure new benefits for them

But unfortunately, not everyone has been as intelligent in their choices as us. Some of our brethren have fallen prey to misinformation and have been mislead into joining other fringe organizations that have neither the strength nor the capability nor the credentials to protect their interests. Even though they are currently not with us they are still our brothers and it is our responsibility to bring them back to the right side.

It is in this backdrop that our General Secretary's call of "One Bank One Association" assumes great significance. The responsibility of CBOA as a trade union is to protect the interests of the

officers and the responsibility of members is to strengthen CBOA by standing with CBOA strongly and also talking about the good work done by CBOA to non-members and convincing them to be part of this great association. This is in-fact a symbiotic relationship in which the individual member strengthens CBOA so that the bargaining power of CBOA increases and CBOA can in-turn do much more for the welfare of the officer community. Each and every addition is important as this keeps on adding to the strength of your CBOA.

We would like to conclude this editorial with a clarion call to each and every CANPAL to take up the vision of our dynamic GS of "One Bank, One Association" and work with all haste and might towards achieving this vision as this is our responsibility both towards our organization and towards our estranged brothers and sisters.

Dear CANPALS,

***A house cannot be built without a solid foundation  
and the same can be said about success.***

(Y)our CBOA is not a mere house, but a fortress, built on the determination and foresight of our predecessors, who have laid a strong foundation and the achievements of your CBOA consist of many bricks, that built the fortress.

Your CBOA had made an appeal to embark on a Membership crusade, vide letters dated 23.09.2021 and 06.10.2021, to bring all our brothers and sisters across the country, under CBOA's Umbrella of Protection.

The response and enthusiasm of all the CC Members and activists, seen during the Membership crusade was overwhelming and formidable.

I am glad and proud to inform you, that during our Membership Crusade over 1600 Canpals from every nook and corner of the Country, have Pledged their commitment to our dear CBOA.

Out of the 1600 Canpals who have joined us, around 1200 are from Canara Bank Officers' Federation alone, thereby reposing their faith in the majority organization.

I congratulate all the Circle Liaisons, Regional Secretaries, Office Bearers and other activists who have contributed their mite to achieve this spectacular feat.

Friends, let us not stop here, our task is not yet done. It is our utmost responsibility to bring each and every Officer of our mother Bank, under CBOA's umbrella of protection.

Let us continue to break the shackles of people with Separatist agenda and liberate everyone by instilling a sense of dignity and belongingness, which comes by being a member of the majority organisation, which is CBOA.

At one point in time, the idea of an airplane was just an idea, but with immense amount of drive and passion, that idea is now a reality.

***We all have that same drive and passion. Alone we can do so little; together we can do much.***

***Let us continue the good work, until we accomplish our mission of "One Bank, One Association".***

### **TRUMPING THE TARGETS – THE CANPALS STYLE**

You are well aware, the real reforms in the banking industry were witnessed from 2016 onwards, after the Gyan Sangam meetings were organized by the Government of India in 2015 & 2016.

The Gyan Sangam resulted in;

- Declaration of banks under PCA, and
- Non infusion of fresh capital in few Banks.

Ultimately these reforms resulted in the amalgamation of banks, and at the end, we witnessed the number of Public Sector Banks shrunk to 12, from 27 in 2017.

Able to forecast, these imminent changes in the industry well in advance, our mother bank, and its administration, commenced the direct recruitment of Officers from 2009-2010 onwards, and committed itself in building up the business, well before the introduction of the reforms.

And WE could, in record time, double the total number of branches and realize an incremental increase of about Rs 3.00 lakh crores in business.

Thus, today we are remaining as an anchor bank and fortunately Syndicate bank - another shining bank with rich culture, akin to ours was amalgamated with us.

**Canara Bank Officers Association**, gives foremost importance to the development of the bank, and participated, so strongly in the building up of

business by calling its members, who are about **96% of the total number of officers of the Bank in various supervisory cadres.**

(Y)our CBOA has continuously enthused its Canpals, to actively participate in branch expansion and business building throughout the year, by observing various business promotion campaigns like - **Thus We Can, Coffee With Customers, Promise to Our Patrons and Youth Conclaves** across the Country.

To activate our members in reducing the NPA – a demon which eats away our well-earned good money, we have been advocating to organize the campaigns with the objectives like **Arrest Fresh Slippage & Attack D4 and Loss Assets**, so as to improvise the profits and profitability.

And the result is, today **our mother bank is the third largest and strongest Bank of the Country, with over Rs 17.00 Lakhs Crores of business and 10600+ branches.**

Now, our endeavor should be to increase the profit and profitability, as parameters deciding the profits are similar to that of the Private Banks in the Country, but for the compulsion of making provisions from out of the hard earned total income of about Rs 84,525 crores.

Our then General Secretary and current Strategic Mentor **Sri G V Manimaran**

Gave a clarion call to our members three years back, to strive to achieve;

- Opening of 10000 branches,
- Increasing business beyond Rs 10.00 lakh crores,
- Build a workforce of 1.00 lakh employees, and
- To ensure a net profit of Rs 10000 crores under the Caption – **"THUS WE CAN".**

Out of the self-set targets above, we could surpass the milestones of 10000 branches, 1.00 lakh employees and total business of Rs 10.00 lakhs crores, yet achieving the target of a Net profit amounting to Rs 10,000 crores is still elusive.

We are having the potential to achieve this feat also, as our total business is over Rs 17.00 lakh crores and our total income is Rs 84,525 crores, but for the huge provisions towards bad debts.

So friends, (Y)our CBOA, invites the collective participation of all the Canpals under the Campaign **“TRUMPING THE TARGETS – THE CANPALS STYLE”**, to achieve the coveted objective of Rs 10,000 crores -net profit for our beloved Bank, in the ensuing years.

TO kick start the campaign, and to create awareness among our Canpals, CBOA could lead the awareness program in various parts of the country.

***The canpals campaign will be conducted on 2nd and 4th Saturday of every month***, across the Country and the uniform schedule of the program will be as follows:

***“The distance between dream and reality is called action”.***

Friends, it's time we make the dream of Rs 10,000 crores - net profit a reality, and to do that we have to put in our collective actions behind this dream.

***Let us make it happen. Together We Can.***

**REF : GS/SEP/ PERF/2021      DATE: 29.10.2021**

***Seasons Greetings to all of you.***

The financial results of Our Mother Bank for the half year ended September 2021 was announced couple

of days back, which every Canpal should feel proud of and cherish wholeheartedly.

This spectacular performance has come at a time when as a nation we are still trying to overcome the pandemic induced difficulties.

Friends, we are fortunate to have our beloved MD & CEO at the helm during this testing period. As they say, 'when the going gets tough, the tough gets going'. Under his able leadership our bank not only kept its ground but has flourished well. Our bank is poised to accomplish much more under his command.

Our bank is on the cusp of becoming the largest Public Sector Bank in the country. Our global

business has reached a level of 17.19 lakh crores with most of the parameters having shown a positive growth, be it deposits or advances.

As a Bank, we have scaled many peaks during this quarter like **Net NPA level (3.21%) – lowest in last six years, Provision Coverage Ratio of 82.44% , CRAR of 14.37 – both highest in the last decade and Common Equity Tier 1 ratio has crossed 10% for the first time.** These are Strong fundamentals!

In addition to this, shares of Canara Bank have hit a 21-month high of Rs 214.50 after rallying 10 per cent yesterday backed by heavy volumes. Our bank's stock was trading at its highest level since January 2020 in an otherwise subdued market.

With these positive fundamentals, amidst the ongoing festive season all over the country, we should aim to better our Q2 performance in the December 2021 quarter. Our endeavour is crucial in order to ensure our march towards the coveted numero uno position is on track.

Having said that, there is also a note of concern and the devil lies in the details. Though, we have worked hard to achieve an **operating profit of more than Rs.11000 crores** in the first 6 months almost Rs.8600 crores of this has been set aside for the Provisions resulting in our **Net Profit in the range of Rs.2500 crores** out of total income of Rs.42000 Crores. In addition to this, the real contributions of growth in credit and in turn NII (Net Interest Income) in the net profit needs improvement. We need to be conscious of these facts and work towards achieving.

Friends, it is really concerning that all our efforts in improving business and profits for our mother bank is being drained out because of one factor "provisions". This is where the recovery in D4 and Loss Assets will help us substantially as all these recoveries will be straight away added to the Profits by releasing the provisions set aside for these

assets. Thus we can show a much better performance under profitability.

Three years back, we had launched a campaign titled, "**THUS WE CAN**" with one of the objectives of ensuring **Net Profit of Rs.10000 Crores**. We can still achieve this dream if we work concertedly towards reducing the D4 and Loss Assets by going for vigorous recovery campaign.

In this regard, I have already sought your enthusiastic participation in canpals' campaign of "**Trumping the Targets – The Canpals Style**" which will be spread over the next few months wherein I will be participating in the events to be held in various zones.

Friends, we should never forget that "**The Achievements of an organisation are the results of the combined effort of every Individual**". I exhort each one of you to offer your might in realising the dream of 10000 Crores Net Profit for our mother bank.

Remember, '**Where there is a will, there is a way**'!

**Our Bank our Pride.**

**DISCIPLINE IN CBOA  
DEVELOPMENT IN CANARA BANK**

**Flaw free banking  
Fraud free bank**
