DEFENCE WORKSHOP

**24TH & 25TH
JANUARY, 2026**

**CBOA Learning Centre,
Vijayawada**

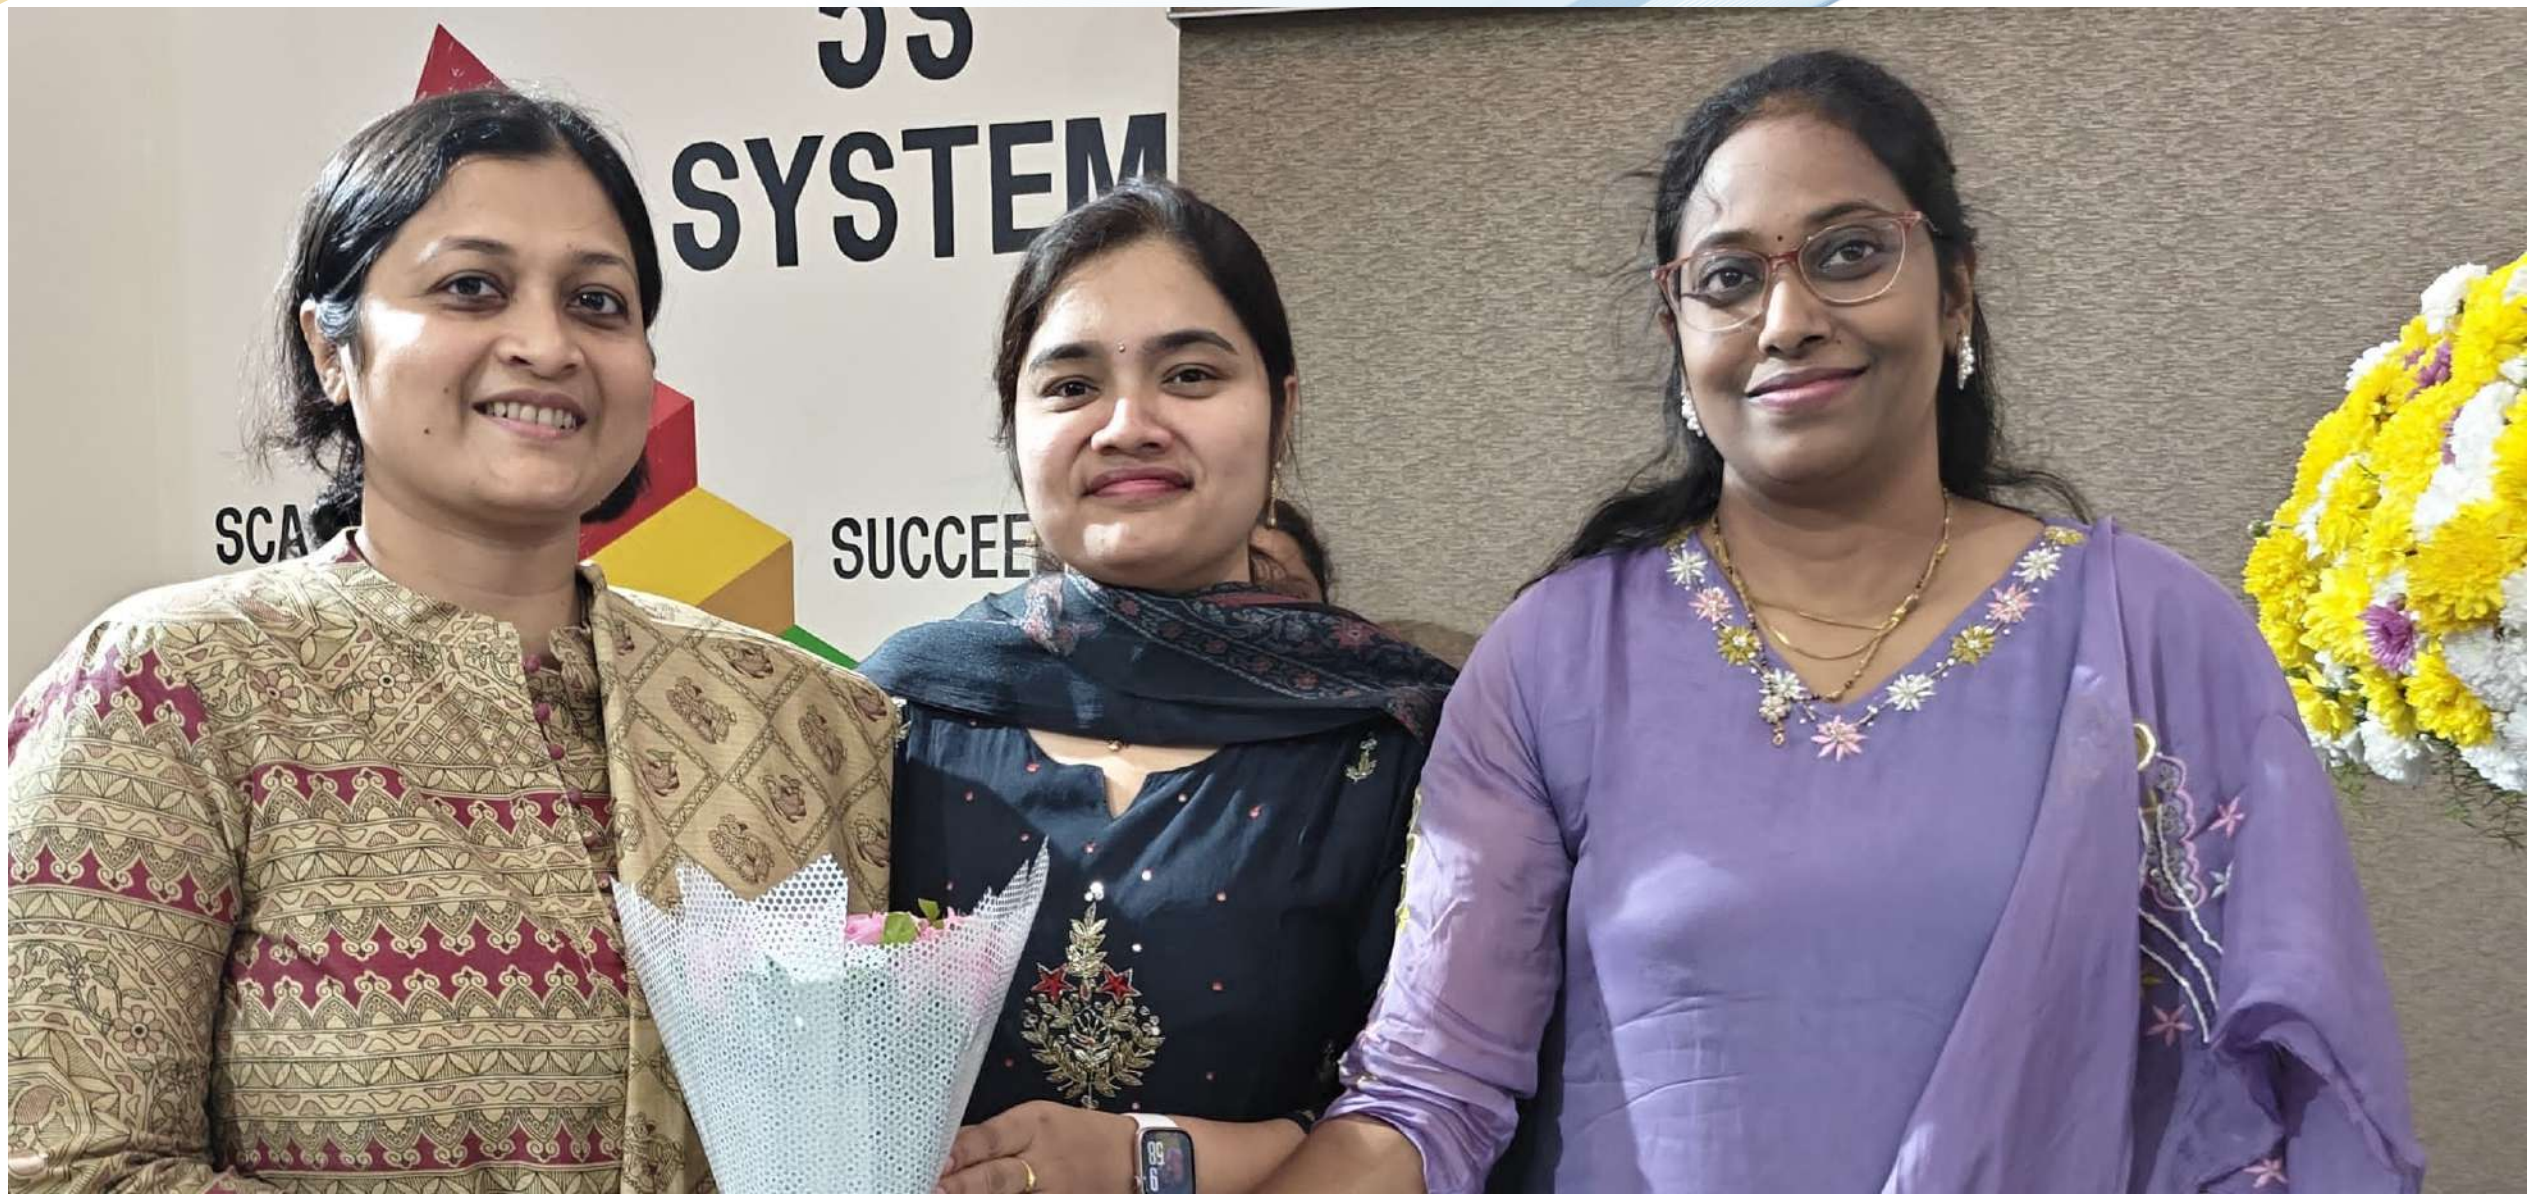

Canara Bank Officers' Association (CBOA), as a progressive and member-centric trade union, proudly conducted a first-of-its-kind training initiative, **The Brain Child of our beloved General Secretary- "Mettle & Minds – A Leadership cum Defence Training Workshop"** at **CBOA Learning centre, Vijayawada**. This two-day intensive program was thoughtfully designed to equip officers with both intellectual strength and personal resilience, blending leadership development with practical defence knowledge.

Envisioned under the guidance of our beloved **General Secretary Shri Ravi Kumar K**, who firmly believes that **"The pursuit of knowledge, the cultivation of leadership qualities, and the courage to apply them in safeguarding and uplifting our fellow members form the true formula for life and define the essence of genuine leadership,"** the workshop emphasized that true empowerment stems from continuous learning.

CBOA once again demonstrated its commitment not only to protecting members' rights but also to strengthening their capabilities, proving that knowledge-driven empowerment is the cornerstone of professional excellence and collective dignity.
