THE VISION BEHIND...

Canara Bank Officers' Association (CBOA), conducted a first-of-its-kind training initiative for exclusively women leaders , “**Mettle & Minds – A Leadership Program**” at the CBOA Learning Centre, Vijayawada, during the month of March’ 2026 in **celebration of International Women’s Day**.

This two-day intensive program, the vision of our beloved **General Secretary Shri Ravi Kumar K**, was thoughtfully designed to equip women leaders with essential leadership skills, strengthen their confidence, and inspire them to actively participate in decision-making roles within the organization.

Envisioned under his inspiring guidance, and his firm belief that “Empowering women is not merely about policies or programs. It is about changing attitudes, breaking stereotypes, and creating a culture of respect and equality”.

Grateful for the visionary and dynamic leader, **our beloved General Secretary Shri Ravi Kumar K**, who always believes that our Women should be at the forefront leading with Confidence, Capability and Commitment.
